“Treasures Old and New”

February 5, 2023 Worship in Song Service of the Trilacoochee church of Christ. “Every scribe instructed concerning the kingdom of heaven is like a householder who brings out of his treasure things new and old” (Matt. 13:52). This song service pairs old hymns with new favorites. Most song pairs begin with a reading from our oldest “song book” -- the Book of Psalm. All of the traditional hymns are more than a century old. They are matched with newer songs that have the same theme and tone, some even inspired by the same scriptures. Compiled by Stephen and Heather Auman.
