

# **What I Want to Say to God**

(Compiled by Paul R. Blake from multiple sources)

## **Introduction:**

- A. What would I say to God if I were to meet Him face to face?
  - 1. Intriguing question
  - 2. Probably nothing; stunned into speechlessness
  - 3. Very likely be destroyed by the experience - Ex. 33:20
  - 4. Have heard dozens of answers to this question; they tended to fall into four categories:
    - a. Majority were impertinent, blasphemous, or derisive
    - b. A number dismissed the possibility claiming there is no God
    - c. Several quoted Bible texts or religious writers; seriously doubt many of them will remember the quotes when it happens
    - d. A few did what Job did; asked God to defend His words, will, and activities - Job 37:19-20
- B. What would be our purpose in talking to God?
  - 1. We certainly cannot offer God information or instruction - Job 21:22
  - 2. But there are some words we can offer to God.
  - 3. He has wanted to hear these words since He created humankind

## **Conclusion:**
