

A dramatic, dark stormy sea with a bright light breaking through the clouds. The sky is filled with dark, heavy clouds, and a bright light source is visible behind the horizon, creating a strong glow and illuminating the water's surface. The overall mood is intense and powerful.

“Peace Be Still”

- *“There is no peace for the wicked”* (Isa. 57:21).
 - There is no peace for those dead in their trespasses and sins (Ephesians 2:1).
 - In such a condition, they are lost, condemned, and without hope.
- Only Christ can give us true peace (Eph. 2:14).
 - In Him alone, is the forgiveness of sins (Eph. 1:7)
 - Obey the gospel of Christ to be saved (Romans 1:16) and to have peace and hope.
