

Faith of Our Fathers

(August 7, 2022 Themed Singing Service of the Trilacoochee church of Christ)

The hymns for this themed song service were chosen from among the songs that were sung often by our fathers and grandfathers in the 1960s and 1970s. They represent the Bible principles they considered vital to their faith. We would do well to reflect on the things they taught us in song so many years ago. It was our joy to worship God under the song leaders of our youth; their efforts to edify us with these songs had a profound influence on our faith. You are the song leaders choosing songs that are teaching faith to others presently in this assembly. You will be remembered forty years from now as having helped shape their faith. God bless you in this work. (prb)
